

*Collector's Edition™*

A Genuwine Cellar

LED Lighting Package

**Add to the presentation & ambience of your wine cellar with Genuwine's BRAND NEW LED Lighting - the industry's ONLY guaranteed wine-cellar-safe option!**

Vintage collections are destroyed by the heat and UV rays of conventional lighting. Choosing Genuwine's LEDs for your cellar guarantees you negligible heat and absolutely no UV Rays!

Feel free to leave the lights on when entertaining! Genuwine's LEDs last 100 times longer than conventional lighting and operate at a fraction of the cost, making it the GREENEST, most wine-cellar-safe option out there!

Keep your wine safe and your cellar green!

Call Genuwine Cellars today for more details on this amazing, and exciting new option!
